

EYNTK about Camp Barnabas for 2012

Camp Barnabas is a non-denominational Christian summer camp for kids and young adults with special needs. We are beginning our 17th year of providing services to campers with various disabilities (autism, visual and hearing impairments, physical and developmental disabilities and chronic illnesses). The link that binds them all together is a desire to be accepted and pursue a normal camper's activities. Our volunteers and leadership staff take every step to assure those opportunities will be met and allow everyone to experience the great things God has given us here at Camp Barnabas.

Each of our volunteers is serving God As a **Christian-in-Action (CIA)**. You or Your group will be assigned a role here at camp. Some will work directly with campers, while others will fill support roles. Truly each role is a critical key to succeeding and allowing **"Enlarging the Spirit...Encouraging the Heart"** in all of us.

Who are our CIAs?

This year we will have approximately 2,500 volunteers serving 1,500 campers and siblings at our four campuses: Teas Trail near Purdy, Missouri, The Grove near Memphis, Tennessee, Point 11 near Shell Knob, Missouri and Deer Creek near Medina, Texas.
